

Beachvolleyball

Dates: June 9th June 10th June 11th

Location: Sports Centre de Bongerd

Regulations Beach Volleyball

Regulations

Team Composition and eligibility to play:

1. Per member city/student sports board, multiple male- and female teams can be subscribed. The first subscribed team is always allowed to join. Based on the amount of beach courts as well as the amount of subscribed teams the committee will decide whether there is space for second and/or thirds teams to participate. If so, teams will be placed via subscription order.
2. Each team consists of 2 participants.
3. Each team subscribed by the member city/student sports board may only consist of students who meet the requirement conditions as described in chapter 1 of the SSN event regulations. Violation of this rule will lead to the elimination of the respective team from the rest of the competition.
4. If an ineligible participant participates in the GNSK, a fine of 200 euros will be charged to the member city/student sports board the participant represents. Additionally, the results of the team in question will be deleted.
5. The team composition needs to be made final before the team plays its first match.
 - a. If a member city/student sports board is allowed to subscribe two teams, the players are not allowed to switch between the teams and cannot play a match for the other team. If this does happen, article 4 counts.
 - i. Exception: In the case of article 18 (injury), someone of the other team is allowed to join unofficially, but the match will be lost (all according to article 18).

Competition rules:

6. Matches will be played according to the rules described by the NeVoBo:

[Spelregels Nationale Beach Competitie en Junior Beach Circuit](#)

7. The tournament will be played according to a group phase, followed by a follow-up round, semi-finals and a grand final.
 - a. The follow-up round will be determined according to the amount of subscribed teams and amount of poules in the group-phase.
8. All matches will be played according to the best-of-three system, of which a won set goes until 21 and any third set until 15.
9. The composition of the poules in the group-phase will be determined according to a draw.
 - a. Exception: when an OSSO is allowed to subscribe multiple teams, the respective teams will be separated as much as possible in the group-phase.
10. A 2-0 won match will give the winners 3 points, A 2-1 won match gives the winners 2 points and the losers 1 point.
11. The ranking of the poules will be determined based on the points the teams earned during the matches of the group-phase.

12. In the event of an equal number of points in a poule of the group-phase, the following will be decided consecutively:
 - a. The quotient of the amount of sets for and against in all played matches;
 - b. The quotient of the amount of points scored for and against in all played matches;
 - c. The amount of match points scored in a head-to-head match.
 - d. The quotient of the amount of sets for and against in a head-to-head match.
 - e. The quotient of the amount of points scored for and against in a head-to-head match.
 - f. If the result is still equal after this, a decisive set is played in accordance to the rules that apply to a normal third set.
13. The teams must be ready to play at the time indicated in the game schedule. If one team is not present at the specified time, the respective team loses the match. The result is then 2-0 in favor of the team present.
14. Match balls are provided by the committee, practice balls must be brought by the teams themselves.
15. Teams are expected to bring spare shirts. If necessary, the latter team plays in the reserve shirts.
16. The aim is to arrange referees from the NeVoBo for every match. If this cannot happen, non-playing teams must, according to a schedule, nominate players to referee at matches.
17. The aim is to arrange counters for every match. If this cannot happen, non-playing teams must, according to a schedule, nominate players to count at matches.
18. In the event of an injury within a team, it will be examined whether the team can continue playing in the current team composition. If the injury is too serious that the respective member cannot play anymore, the team will no longer officially participate in the group phase and will not progress to the next round. All results will then be deleted. It is up to the teams and the opponents whether they want to still play the matches unofficially by finding a substitute. However, the team in question has already been deregistered from the competition and will therefore lose the match on paper.

Final provisions:

19. Protests will not be accepted when they concern arbitral decisions.
20. When there are no exceptions made in the above points, the regulations of the NeVoBo apply.
21. In all cases, the committee reserves the right to make a final decision.

File a protest:

Protest must be submitted up till one hour after the end of the match.

Participants or teams can file a protest against other participants/ teams based on eligibility and competition rules. Decisions of referees or other officials cannot be challenged, nor can the regulations of the GNSK, the regulations of the camping and other articles from the event regulations of Studentensport Nederland.

To file a protest, the teams have to do the following:

- The sports committee must be notified of the protest as soon as possible after the end of the match, during which the alleged violation has occurred.
- The person to be called: *to be determined*
- The protest must be signed by an official representative of the team and must contain the following elements:
 - Date, time and location of the incident
 - The relevant article which was violated
 - A description of the situation
 - The names of the protesting team/participants, signed.

On Saturday, the protests will be processed at the end of the day. On Sunday, the protests will be processed no later than two hours after the protest has been submitted. All protests must be dealt with before the start of the finals.
