Wedstrijdreglementen (NL en ENG)

Wedstrijdreglement Zaalvoetbal

GNSK 2025

Teamsamenstelling en speelgerechtigdheid

1. Per Overkoepelende Studenten Sport Organisatie (hierna: OSSO)/stad kunnen meerdere heren- en damesteams ingeschreven worden. Een team bestaat uit minimaal 6 en maximaal 12 spelers. Het eerste ingeschreven team per OSSO/stad heeft altijd recht om mee te doen. Afhankelijk van het aantal ingeschreven teams wordt besloten of de andere teams mee kunnen doen. Mochten er te veel teams zijn voor de overgebleven plekken, gaat deelname op basis van volgorde van inschrijving.

2. De ingeschreven deelnemers van een OSSO/stad mogen uitsluitend bestaan uit studenten die voldoen aan de voorwaarden als gesteld in hoofdstuk 1 van het evenementenreglement van SSN. Bij overtreding van deze regel verliest het team alle wedstrijden. Als er een ongerechtigde deelnemer meedoet aan het GNSK, wordt er een boete van €200,- in rekening gebracht bij de OSSO/vertegenwoordigende organisatie in de stad voor welke die deelnemer uitkomt.

3. De teamopstelling dient voor aanvang van de eerste wedstrijd doorgegeven te worden aan de zaalvoetbalcommissie. Mocht een OSSO/stad twee deelnemende teams sturen, dan mogen er geen spelers gewisseld worden of bij het andere team meespelen. Mocht dit wel gebeuren, dan geldt artikel 2.

4. De winnaar van het zaalvoetbaltoernooi van het GNSK 2025 kwalificeert zich voor de European Universities Championships (EUC) van 2026.

Wedstrijdbepalingen

5. De voorrondes bestaan uit poules. De poule-indeling geschiedt op basis van loting, waarbij teams geplaatst worden volgens de Uitvoeringsregeling Plaatsing GNSK 2024 en indien mogelijk teams van eenzelfde OSSO/stad worden verdeeld over verschillende poules. De zaalvoetbalcommissie beslist voor de loting hoeveel teams per poule zich kwalificeren voor het finaleschema dat door middel van een knock-outsysteem wordt gespeeld.

6. Bij een gewonnen wedstrijd krijgt een team 3 punten, bij een gelijkspel 1. De eindstand van de poule wordt bepaald op basis van het aantal punten dat een team behaald heeft. Bij een gelijke stand in de poule beslist achtereenvolgens het onderlinge resultaat, het doelsaldo en het aantal doelpunten voor. Als er nog geen beslissing is bereikt, nemen 5 spelers van ieder team elk één strafschop. Indien hierna nog geen beslissing valt wordt de strafschoppenserie voortgezet, totdat een team een doelpunt meer heeft gemaakt dan de andere partij, nadat elke partij een gelijk aantal strafschoppen heeft genomen. Per serie strafschoppen mag de doelman niet vervangen worden, tenzij deze geblesseerd is geraakt.

7. De wedstrijden duren 20. De zaalvoetbalcommissie kan de tijd aanpassen wanneer zij dit nodig acht.

8. Indien in de knock-outfase een wedstrijd in een gelijkspel eindigt, wordt deze verlengd met 2x 5 minuten. Indien nodig, gaat men over tot het nemen van strafschoppen (op dezelfde manier als in artikel 6 is opgenomen).

9. Er mag tijdens de wedstrijden constant door gewisseld worden. Spelers mogen dus meerdere keren in- en uitgewisseld worden. Er mag gewisseld worden als de bal buiten het spel is, maar ook als de bal in het spel is. Let op: de speler moet eerst buiten het veld zijn voordat de invaller in het veld komt, anders wordt een vrije bal aan de tegenpartij gegeven.

10. Als een speler een gele kaart ontvangt, krijgt hij/zij een tijd straf opgelegd en moet hij/zij het veld verlaten voor twee minuten. Bij een doelpunt van de tegenstander binnen deze twee minuten mag de speler er direct weer in.

11. Als een speler een rode kaart (of twee gele) ontvangt, moet hij/zij het veld verlaten en is hij/zij geschorst voor de volgende wedstrijd. Na 5 minuten mag een andere speler het veld betreden, zodat het weer 5 tegen 5 is. Bij een doelpunt van de tegenstander binnen deze vijf minuten mag de vervangende speler er direct in.

12. De teams dienen op het in het wedstrijdschema aangegeven tijdstip aanwezig en speelklaar te zijn. Indien het team niet aanwezig is op het opgegeven tijdstip, dan verliest het team de wedstrijd. De uitslag is dan 3-0 in het voordeel van het aanwezige team.

13. De teams dienen shirts met rugnummers te dragen. Zo nodig dient de ploeg die als tweede op het wedstrijdschema wordt genoemd voor reserveshirts te zorgen.

14. Er wordt gespeeld met officieel goedgekeurde wedstrijdballen. De wedstrijdballen worden verstrekt door de zaalvoetbalcommissie. De oefenballen dienen zelf meegenomen te worden.

15. Protesten worden niet geaccepteerd voor zover deze scheidsrechterlijke beslissingen betreffen.

Slotbepalingen

16. De organisatie draagt geen verantwoordelijkheid voor ongevallen of schade aan derden vóór, tijdens of na de wedstrijd. Deelname geschiedt op eigen risico.

17. De organisatie draagt geen verantwoordelijkheid voor diefstal vóór, tijdens of na de competitie.

18. Voor zover in bovenstaande punten geen uitzondering wordt gemaakt, zijn de [reglementen van de KNVB](#) van kracht.

19. In alle gevallen behoudt de zaalvoetbalcommissie zich het recht voor om een bindende beslissing te nemen.

Futsal Regulations

GNSK 2025

Team composition and eligibility to play

1. Per Overkoepelende Studenten Sport Organisatie (hereinafter: OSSO)/city, several men's and women's teams can be registered. A team consists of a minimum of 6 and a maximum of 12 players. The first registered team per OSSO/city is always entitled to participate. Depending on the number of teams registered, it will be decided whether the other teams can participate. Should there be too many teams for the remaining places, participation will be in order of registration.

2. The registered participants of an OSSO/city may only consist of students who meet the conditions as stated in chapter 1 of SSN's event regulations. If this rule is violated, the team loses all competitions. If an unauthorised participant competes in the GNSK, a fine of €200 will be charged to the OSSO/representing organisation in the city for which that participant competes.

3. The team line-up should be communicated to the indoor football committee before the start of the first match. Should an OSSO/city send two participating teams, no players may be substituted or play on the other team. Should this happen, Article 2 will apply.

4. The winner of the futsal tournament of the GNSK 2025 qualifies for the European Universities Championships (EUC) in 2026.

Match provisions

5. The preliminary rounds consist of pools. Pool allocation will be based on a draw, with teams being placed according to the GNSK 2024 Placement Implementing Regulations and, if possible, teams from the same OSSO/city will be divided between different pools. Before the draw, the indoor football committee will decide how many teams in each pool will qualify for the finals which will be played through a knockout system.

6. For a match won, a team receives 3 points, for a draw 1. The final ranking of the poule is determined on the basis of the number of points gained by a team. In the event of a tie in the poule, the mutual result, the goal difference and the number of goals in front will decide in succession. If no decision has yet been reached, 5 players from each team take one penalty kick each. If no decision is reached after this, the penalty kick series continues until one team has scored one more goal than the other, after each side has taken an equal number of penalty kicks. For each series of penalty kicks, the goalkeeper may not be replaced, unless he has been injured.

7. Matches last 20 minutes. The indoor football committee may adjust the time when it deems necessary.

8. If in the knockout phase a match ends in a draw, it will be extended by 2x 5 minutes. If necessary, penalty kicks will be taken (in the same way as provided for in Article 6).

9. There may be constant substitutions during matches. Players may therefore be exchanged several times. Players may be substituted both when the ball is out of play and when it is in play. Note: the player must be out of the pitch before the substitute enters the pitch, otherwise a free ball is given to the opposing team.

10. If a player receives a yellow card, he/she is given a time penalty and must leave the pitch for two minutes. In case of an opponent's goal within these two minutes, the player is allowed back in immediately.

11. If a player receives a red card (or two yellow ones), he/she must leave the pitch and is suspended for the next match. After 5 minutes, another player may enter the pitch, so that it is 5 against 5 again. If the opponent scores a goal within these five minutes, the substitute player may enter immediately.

12. Teams must be present and ready to play at the time indicated in the match schedule. If the team is not present at the specified time, the team loses the match. The result is then 3-0 in favour of the team present.

13. Teams should wear shirts with back numbers. If necessary, the team named second on the match schedule should provide spare shirts.

14. Officially approved match balls will be played. The match balls will be provided by the indoor football committee. Practice balls should be brought along yourself.

15. Protests will not be accepted as far as they concern refereeing decisions.

Closing provisions

16. The organization bears no responsibility for accidents or damages to third parties before, during or after the race. Participation is at your own risk.

17. The organisation bears no responsibility for theft before, during or after the competition.

18. Insofar as no exception is made in the above points, the [reglementen van de KNVB](#) are in force.

19. In all cases, the indoor football committee reserves the right to make a binding decision.
